DESIGNING COMMUNICATION NETWORKS WITH HOP RESTRICTIONS (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Designing Communcation Networks With Hop Restrictions The topological design of a computer/communication network depends on three main considerations - investment and operating cost, transmission delays, and network reliability. Design models that explicitly account for all three criteria are complex optimization problems that can be solved only by heuristic methods. In this paper, we propose a...
