EGGTIMER: ACQUIRING DAILY SKILLS IN ALL ACADEMIC SUBJECTS TO ENSURE ACADEMIC GROWTH

DOWNLOAD

Createspace, United States, 2013. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Here is the opportunity to know and use the essential skills your child needs to master from Kindergarten through 5th grade. Academic preparation and mastery of skills are the essential goals for any child and this collection of tools and calendars are the right resources to guide your child through their elementary school years. Included are an array of learning games, brainstorming drills and essential language development pages that are great for one on one practice, individual/quiet time review or family game nights. The idea behind every page is that it can be done weekly, monthly and certainly year after year to instill a core set of academic readiness for each grade level. The second half of the manual is a collection of monthly calendars for every grade level. Included in each calendar are the common core skills expected of your child. They can be used for review, summer fillers, monthly portfolios or even as support in addition to the regular homework. They are a comprehensive collection of Language Arts skills that are deemed critical by the guiding principals of Common Core. This manual is ideal for any type of student learner. The activities will boost skills, enhance brainstorming and problem solving and build academic confidence during a school year or even before as summertime can be a new opportunity to boost skills in anticipation of a coming school year.
