Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from History and Legends of the Old Liberty Bell: In Independence Hall, at Philadelphia Of all the interesting and historical relics connected with the early existence of our country, the most revered is the Old Liberty Bell, now deposited in Independence Hall at Philadelphia. The writer of this has stood for hours at a time, closely watching the countenances of the throngs of visitors who came to gaze at the mementoes of the Revolution. They are all collected in the two rooms, respectively situated to the east and west of the main entrance to the building. The eastern apartment is the one where the first Colonial Congress assembled to debate and decide the question of our national freedom, where Jefferson and Franklin and their illustrious compeers weighed and measured the tremendous struggle which was about to be inaugurated. In this room are collected the identical chairs, tables and other pieces of furniture which were used there in 1776. Around the walls are suspended portraits of the statesmen and soldiers who took part in the Revolution. Upon the south side stands a large fireproof safe, in which is deposited the original Declaration of Independence, and also the silver inkstand used at the time of the signing. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
