Reviews

I just started off reading this article ebook. It is actually written in basic words and not confusing. I am just very happy to let you know that this is the best ebook I actually have read through inside my individual daily life and can be the finest ebook for possibly.

(Dayne Johns)

ATTABOY, SAM!

HOUGHTON MIFFLIN, United States, 2016. Paperback. Book Condition: New. 188 x 130 mm. Language: English . Brand New Book. Why won't Sam Krupnik allow his mother to enter his bedroom? Why has he started calling his toy box The Lab? And why does he carry a Ziplock bag in his pocket all the time? What's the big secret? Well, his mother's birthday is approaching, and she has told her family that what she really wants are homemade gifts. Sam has decided to invent a special, surprise perfume just for her--a concoction that will combine all of her favorite smells. Now the question is: Exactly how does one go about bottling the quirky collection of scents on Mrs. Krupnik's list of favorites? If anyone can find a way--or at least have loads of fun trying--it's Sam, Anastasia's precocious younger brother.
