GAO reviewed the Veterans Administrations (VA) and State Approval Agencies (SAAs) collection and use of information about the education of veterans to determine how well VA and SAAs coordinate their efforts to minimize their reporting and recordkeeping requirements and how effectively they manage the program. In addition, GAO evaluated how VA collects and uses SAA-related information in accordance with the policies and procedures established by the Paperwork Reduction Act. For the past 5 years, VA has been paying SAAs about 13.4 million annually while program activity, national enrollment, the number of schools involved, and the annual VA payments to veterans have declined more than 40 percent. Program activities will continue to decline through 1989 when a major portion of the program will be terminated. To help VA streamline program activities in response to this trend, GAO identified several areas where VA can maintain or improve services while reducing the amount spent on approval activities each year. This item ships from La Vergne, TN. Paperback.
