Brand New Book ***** Print on Demand *****.Excerpt from Magnetism Clairvoyantly Discerned: Lessons From Nature; Inherited Characteristics Explained; New Light on the Treatment of Diseases, Medicine and How to Take It With Treatises on Various Subjects of General Interest The present epoch may be emphatically denominated one of investigation and progress; hence, when truth is plainly presented to the candid mind, it seldom fails of a cordial welcome. In the illimitable field of the arts and sciences, more persistent researches and greater discoveries have been made than at any previous period. So many theories and different modes of treating disease are advanced, and such discordant ideas and sentiments enunciated, both by physicians and the general public who patronize them; so many mistakes and failures are constantly being made, that the confidence of the people in any one mode of treatment is nearly lost. There is too much science and too little sense in the present age, and too many doubtful modes of medical treatment.
