The Fourth West: 2009 Wallace Stegner Lecture

By Charles Wilkinson

University of Utah Press, U.S. Paperback / softback. Book Condition: new. BRAND NEW, The Fourth West: 2009 Wallace Stegner Lecture, Charles Wilkinson, Environment Charles Wilkinson views the history of the American West as being divided into three periods. The First West existed when only the American Indians occupied the land. The Second West began with the California Gold Rush and the rapid settlement of the region. The Third West began at the end of World War II when the American West experienced explosive growth that transformed the region from a largely rural environment to an urban environment. In this lecture, Wilkinson explores the question of whether the region is about to enter a new period, the Fourth West, when we finally do know what we have and what we have to lose. "
