India Travel Health Guide: Health Advice and Tips for Travelers to India

By Shalu Sharma

Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm.

Language: English . Brand New Book ***** Print on Demand *****.

Are you traveling to India but concerned about your health while you are there? Are you afraid that you will fall ill and won't know what to do, or get bitten by mosquitoes, get Delhi Belly or get hounded by animals with rabies? Chances are that you probably will if you aren't careful. But it doesn't have to be that way! India is not that bad if you take a little precaution. There are certain health risks but if you are careful, you won't have any bad experiences. This India travel health guide offers essential health advice and tips for safe traveling and looking after your health in India. India is a great country to be going on holiday but sadly many people simply do not consider traveling to India due to health concerns. This book addresses those concerns a traveler to India might have some of which include malaria, dengue fever, traveler's diarrhea, rabies, water-borne diseases, insects, what food to eat, how to buy drinking water and much...
