Bad Day Books, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Beatrix woke up in a small metal cage. A persistent dripping sound her only company. Lost in the darkness. Reeling to remember. Two meals and a lesson. Three graces a day. She had been leaving work to celebrate her promotion, a promotion that was the culmination of her entire ruthless, driven career, a promotion that would cement her status with her marketing firm enough for her to take her relationship with her girlfriend out of the lesbian closet. Beatrix had finally made it. And then she was here, disoriented and petrified in a black she could not define. Fear and panic are just words. They in no way capture how I felt in those first hours in my cage. I could say them, scream them, carve them in my . arm a million times, and never fully express how the terror absolutely radiated from my bones. Yet the reality of her Master may be even more terrifying than the crushing darkness and enveloping isolation. He appears as an ominous shadow in the doorway of her cell, and he never speaks to her. Instead, he teaches her the language of pain and torture, of submission and obedience, of domination and possession. I didn t have to understand to obey. All I had to do was read the commands and follow. Submit. With each passing day, the fight and hope in Beatrix begins to shrivel and wane. With each savage beating, her survivalist instincts rise up to overwhelm the person she was. With each dehumanizing condition, she begins to forget who she was and the life from which she was ripped. You were breaking me down. More brilliantly...
