## THE DONALD TRUMP COLORING BOOK: THE ADULT COLORING BOOK THAT CELEBRATES THE 2016 ELECTION CAMPAIGN OF DONALD TRUMP!

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 254 x 203 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Ok, let s face facts; Donald Trump is larger than life. He s also a complete douchebag. But he s our douchebag! An American douchebag. A douchebag of the first order, with royal blood running through his hardened veins! This is more than just an Adult Coloring book. Much more. At the heart of everything we do as humans we have politics. Whether or not we may follow the ups and downs of the presidential election, it s arguably the biggest and most revered election process in the world. Sure, you may think that all of the candidates are talking heads, little more than poo-slinging puppets with the hands of their donors shoved so far up their collective backsides that you can actually see their fingers when the candidates talk . . . and you re probably correct to an extent. The common man doesn t run for president of the United States of America. And even those extremely idealistic patriots who may start down a long path of political idealism eventually find their hopes and ambitions eroded by the realities that a life of politics does. This book will allow you to take out your frustrations, celebrate your victories, lament your defeats and share in the ups and downs of the election process. So without further ado, let s have a little fun. Alright Donald, here we come. Prepare your image to be desecrated with all the colors in the \$13.57 marker set I just bought.
