Cleis Press. Paperback. Book Condition: new. BRAND NEW, Steamlust: Steampunk Erotic Romance, Kristina Wright, Meljean Brook, Steamlust is romantic erotica that reflects the excitement, fantasy and rebellion of steampunk. Not sure what steampunk is? Think Victorian elegance and aesthetics meets futuristic invention and exploration. The genre of steampunk itself has transcended the Victorian (or Edwardian) eras -- in Kristina Wright's inventive anthology, it can be any time period, real or imagined, that blends elements of science, history, fantasy and technology. Until Steamlust, the genre had been missing romantic relationships and erotic encounters. Steampunk erotic romance is shiny brass and crushed velvet; mechanical inventions and romantic conventions; sexual fantasy and kinky fetish. It's steam powered sexy romance! Editrix extraordinaire Kristina Wright creates a lush and fantastical world of women-centered stories and romantic scenarios, first for steampunk fiction. Fetishizing the wardrobe, language, fantasy and rituals of steampunk, Steamlust includes alternate histories, second worlds, time travel and contemporary settings.
