This part ownership further stimulates the interest of the community, whether it assumes this responsibility through the contributions of voluntary organizations or through its municipal or county government, as has been variously the case. Further, this dispensary system must be extended, for there are many communities clamoring for a state clinic who offer free quarters. The policies outlined above are those of the State Department of Health, according to Commissioner Martin. This policy of gradual decentralization is, in the opinion of your investigator much sounder than the previous policy of centralization. To change such a centralized policy involved a great deal of difficulty and was likely to arouse considerable opposition in numerous quarters. Such decentralization as has taken place seems, however, to have been done with a minimum of friction. The morale of the field organization seems to be excellent..
