Every day she walks to the lake to fetch drinking water, milks the cow, cleans the house, prepares the meals, cleans the animal pens, and sells vegetables. Her stepmother and stepsister, however, don t do any of the work. They just order Cinduri about and give her a bowl of rice and a few leftovers to eat.The lake, however, is full of magic. When Godfather Snake hears of Cinduri s troubles, he vows to make her life easier. And when the Prince comes to visit the village during the annual Navaratri Festival, Godfather Snake makes it possible for her to go, dressed in the most beautiful gold-threaded sari and sparkling diamond anklets. It is there that she wins the heart of the Prince.Adapted from the East Indian story Nagami (Jewel of the Snake), this version of the tale is rich with the traditions and culture of India while also conveying the universal values of the Cinderella story. Beautiful watercolor depictions of Indian life and styles accompany this introduction to Indian folklore.
