Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. SCIENCE, RELIGION SPIRITUALITY arrives at a time when youth is returning to a kind of religion where spirituality is on the rise. There is no longer value in articles with titles such as Is God Dead? Today we are using science to complement our spirituality. This new notion prompted the writing of this book that combines Eastern religious traditions and Western scientific knowledge to develop practical spirituality. This guide teaches how to observe the mind, to live in gratitude, and to discard expectations. The benefits of focusing on our spiritual-self include tranquility, increased production and resurgence of vitality, mental clarity, and joy of living. There is even a test to know your spirituality level. This book is not about creating a new religion, sect or movement, but in fact is about loving every religion. There are books on god and religion, and on spirituality. But this is one book that presents reconciliation between science and god/religion. It brings science and spirituality together which are generally treated as oil and water. Science, Religion Spirituality (Similar to Human Genome leader Collin s belief) explains that Science and God can co-exist. Truth cannot contradict itself. Truth from science and truth from God/Religion must eventually converge into one grand whole, a unified knowledge of the laws that govern our universe. Those who fight over superiority of one over the other are blinded by ignorance about both. In the past, East has lived religiously-- that is one pole-- and because it has lived religiously it has not been able to produce good science. The West has lived scientifically, and because of its science it has lost track of spirituality. Now for the...
