Sterling Publishers Pvt.Ltd. Paperback. Book Condition: new. BRAND NEW, Simple & Easy Way to God: & Other Heart-to-Heart Talks, J. P. Vaswani, Rev Dada J P Vaswani asserts: thoughts are the building blocks of our life, our character and our destiny. If this is true, then good thoughts are the foundation of a happy life, an exemplary character and a fulfilling, rewarding future. All we need to do is think good, beautiful, positive thoughts and the rest will follow. But the trouble with most of us is, such thoughts are not easy to come by in the stressful, negative environment that we are forced to live in. And yet, we deserve to be exposed to such thoughts, we need to fill our minds and hearts with these thoughts so that we can make our lives beautiful and rewarding. The satsang is a treasury of the best thoughts, the highest thoughts that the great saints and sages have left for us, as our spiritual inheritance. The readings from the scriptures, the references to the great ones and above all, the direct, heart-to-heart discourses of the guru, make the daily satsang a veritable storehouse of all the positive energy and inspiration that we need to make life what it ought to be. In this volume we bring together a few more of Rev Dada J P Vaswani's discourses in the Sadhu Vaswani Satsang. Read them one after another or read them as you open the pages at random. We assure you that you will find the inspiration and thought power you require to transform your thinking and your life.
