Reviews

*A really wonderful book with lucid and perfect reasons. This can be for all who statte there was not a worth reading through. You are going to like how the author write this book.
(Dr. Grady Jacobi DDS)*

THE IMPACT OF CODY LEHE

Inspiring Voices, United States, 2014. Paperback. Book Condition: New. 224 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.Over one million young men and women play high school football in the United States each year. Many of these athletes will be diagnosed with a concussion. Others may suffer from a concussion but are not aware or do not report it. The story of Cody Lehe is a cautionary tale of the dangers of playing with concussive symptoms. Written from the perspective of his physical therapist, The Impact of Cody Lehe examines Cody s injury in an Indiana high school football game. Following only minor contact in practice four days later, a cascade of chemical events inside Cody s brain altered Cody s life forever. This insightful story offers a look into the sacrifices that Cody s family has made to help him adapt to his new life, after injury. It also displays Cody s determination and sense of humor as he struggles to stand, transfer, walk, and especially carve out a new identity for himself. Cody s story is inspiring and educational. The goal of this story and of the Lehe family is to raise concussion awareness so that athletes can continue to safely play the sports that Cody loves. Cody s warning to every young athlete is: If you ever have a headache (or other symptom) in a game (or practice), sit out, Bub, right now, or you are going to regret it! Net Proceeds from the sale of this book will help fund concussion education and research in honor of Cody Lehe. Cover Graphics Credit Christine Dahlenburg of Christine s Photography, Reynolds, Indiana.
