

Punto e a capo. Il virus dell'utopia è più forte dell'HIV

By Marco Pattacini

Feltrinelli, 1999. brossura. Book Condition: nuovo. Condizioni: nuovo/libro nuovo Anno: 1999 Marco detto "lo Smilzo" è sieropositivo. Ha conosciuto l'inferno della droga, la separazione dalla famiglia, le lunghe degenze, la discriminazione. Vivere faccia a faccia con la morte gli ha dato una nuova consapevolezza che sente il bisogno di condividere. L'occasione arriva quando, insieme ad altri sieropositivi, aderisce al progetto di isolamento terapeutico con un'équipe che comprende medici, psicologi, volontari e sacerdoti. Destinazione: un'isola del Mediterraneo, una base militare abbandonata, subito ribattezzata Isola di Utopia. Qui, lontano dal mondo, i malati e i loro accompagnatori sembrano ritrovare un equilibrio magico: ciascuno tira fuori il meglio di sé e la convivenza sembra possibile.

Reviews

Merely no words to describe. I have got study and i am confident that i am going to planning to go through yet again once again in the foreseeable future. You will like just how the writer compose this publication.

-- **Devante Schmitt**

Complete guideline! Its this sort of excellent read. I could comprehended every little thing out of this written e publication. Its been designed in an remarkably easy way and it is only right after i finished reading this publication by which really transformed me, affect the way i think.
