We spend a lot of time talking about reform, about the proper Federal role, about the cost of education and the need for more funding and about competitive versus formula, and all of those are important debates to have. But we can never lose sight of the impact our decisions have on classrooms where teachers are doing the hard work every single day of helping our children learn. Every decision must be viewed through the framework of improving instruction for our Nations children. Our partnership with teachers and parents partnerships with teachers empowers them to do their job well. We believe that there is a lot in our proposal that teachers will like. We know that there is a lot under current law that teachers dont like. Most teachers believe that we have a broken system of accountability. Many teachers believe their evaluation support sys-tems are flawed. We need a system of accountability that is fair. I have...
