After years of studying, he finds troubling clues to his ancestry and unanswerable questions about his destiny. He ventures from the only security he has ever known into the tangle of social order. The road he travels has many turns and leads to a unique membership in a group that meets at The Cat and the Rat in Paris. Here he meets Monique and falls in love, but she is snatched from his grasp much too soon. He narrowly escapes death in on an ocean voyage before reaching the Bowery in New York.
