Morgan James Publishing. Paperback. Book Condition: New. Paperback. 228 pages. Dimensions: 9.1in. x 7.5in. x 0.6in. It is essential to instill a belief system which recognizes that in every act, no matter how small, leaders set a course for how ethical behavior will be nurtured within themselves and in their organization. That is an ultimate truth we can all believe in. There must be a paradigm shift for leadership based on significance. She gives readers a number of examples, stories, historical references and anecdotes that illustrate the meaning of significance while sharing several tools, exercises and tests to help readers examine their own significance. Finally, at the center of the book is the primary foundation on which it is built: the Seven Keys to Unlocking your Significance. This item ships from multiple locations. Your...
