Taunton Press Inc. Book. Book Condition: new. BRAND NEW, Decoden Desserts: Sweet Shoppe Decorations for Phones & Favorite Thing, Cathie Filian, Steve Piacenza, This is a good-enough-to-eat embellishment in the crazy Decoden style. It is a hot craft trend. It includes instructions on whipping up your own adhesive faux cake icing. Hailing from Japan, this craft craze began with decorating mobile phone cases with all things cute, glitzy and sweet. Deco Den Desserts - a delightful Threads Selects Booklet - is literally the icing on the cake, featuring everything from hand mirrors to jewellery to trainers, deliciously decorated with faux sweets and treats. Some embellishments are miniature versions of real sweets that look good enough to eat, and others are fantasy versions that look like they are straight from a pop music video. Both versions are equally cute and contain no calories! Deco Den Desserts shows you how to whip up a faux cake icing and apply the dimensional fabric paint (aka drizzle) to create drippy dessert sauces like chocolate and strawberry sauce. So grab some icing and mini sweets and start decorating!.
