We artists never take time off, we're always thinking about what we're going to do next! Evm when we seem to be resting, our brains are going a mile a minute, and very often, late at night, when everyone else in the house is asleep, we go back to the studio. I can't help myself - when my hands want to create something there's no stopping them. They grab whatever's within reach - paper, modeling clay, old rags, bits of wood or cardboard - and they shape, fold, paint, carve, cut nail, or glue them together. ot they sign my name, which you may very well know."
