*Extensive guideline! Its such a great go through. It is definitely basic but surprises in the 50 % of the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.

What happens as we grow spiritually Is there a step-by-step process that everyone goes through all spiritual seekers, including those of any or no religious persuasion as they gradually work their way upward, until they achieve the highest state of Self-realization About 2200 years ago, a great spiritual master of India named Patanjali described this process, and presented humanity with a clear-cut, step-by-step outline of how all truth seekers and saints achieve divine union. He called this universal inner experience and process yoga or union. His collection of profound aphorisms a true world scripture has been dubbed Patanjali's Yoga Sutras. How can any reader understand Patanjali's original meaning when he or she has to wade through such bewildering terminology Thankfully, a great modern yoga master Paramhansa Yogananda, author of the classic Autobiography of a Yogi has cut through the scholarly debris and resurrected Patanjali's original teachings and revelations. Now, in Demystifying Patanjali, Swami Kriyananda, a direct disciple of Yogananda, shares his guru's crystal clear and easy-to-grasp explanations of Patanjali's aphorisms. As Kriyananda writes in his introduction, My Guru personally shared with me some of his most important insights into these sutras. During the three and a half years I lived with him, he also went with me at great length into the basic teachings of yoga. I was able, moreover, to ask my Guru personally about many of the subjects covered by Patanjali. His explanations have lingered with me, and have been a priceless help in the writing of...
