Texas A M University Press, United States, 2006. Hardback. Book Condition: New. 241 x 165 mm. Language: English . Brand New Book. He also helped lay the foundations of New Mexico Highlands University, the Museum of New Mexico, and other cultural institutions. Throughout his adult life, Springer also engaged in paleontological study, publishing his findings through the Smithsonian Institution and other leading scientific publishers. He amassed the largest collection in the world of a certain kind of fossil, a collection he donated to the Smithsonian Institution, where it is still housed. Frank Springer s influence on New Mexico s economic development was far-reaching and lasting. A thorough biography of the energetic Springer, this book offers insight into many colorful episodes in the region s history and the way a...
