Brand New Book ***** Print on Demand *****.Excerpt from Twenty-First Annual Report of the Commissioners for the Queen Victoria Niagara Falls Park, 1906 The Commissioners for the Queen Victoria Niagara Falls Park beg to submit their twenty-first annual report (being for the year 1906), together with the usual statement of receipts and expenditures; the report of the Superintendent on the works of restoration, maintenance and improvement, which have been conducted in the various portions of the park system, and a general reference to the progress made during the year by the several companies engaged in the development of the water power of Niagara Falls for electrical power purposes. In their last annual report the Commissioners referred at length to the arguments which had been advanced by certain magazine writers, and others in the United States with a view to influencing public sentiment against the use of Niagara River water for the generation of electrical power. The immediate cause of the protest was an application made by a Power Company, on the American side to take from the river, above the located works of the...
